

MANUFACTURERS OF WORLD CLASS STEEL STORAGE SYSTEMS

**MERCURY**

ABOUT US

Manufacturers of World Class Steel Storage Systems

Mercury Manufacturing Company Ltd. was established in the year 1992 in Chennai, India and is a fully owned subsidiary of Godrej & Boyce Manufacturing Co. Ltd. which is headquartered in Mumbai, India.

Mercury is into the business of manufacturing and supplying customized steel storage systems catering to all major industry segments in select territories across the world. We have built our stellar reputation on the ability to produce customized steel storage systems at an unmatched turnaround rate.

We have sailed a long way in the Steel Furniture Industry and have introduced a notable volume of products to the market. It has been a practice at Mercury to continuously evolve our product offerings. We aim at providing the most appropriate storage solution that matches with the contemporary design and usage trend.

Mercury's product construction, concept and supply chain method have resulted in reduced carbon footprint.

MERCURY ADVANTAGE

WE MASTER THE ART OF MANUFACTURING STEEL STORAGE SYSTEMS

Mercury manufacturing Co. Ltd. has more than two decades of experience in designing and manufacturing world class steel storage systems. We understand the demand pattern of each geographical market across the globe and provide them appropriate products that meet international standards.

Our flexible manufacturing methods make for:

- + Highly customizable products
- + Low turnaround time
- + Consistent standards of quality

CUSTOMIZE THE PRODUCT

As a business strategy, we are persistently gearing to develop innovative products that address storage needs both on utility and aesthetics. We enhance our channel partners' competitiveness through customized product offerings.

Heights, Widths and Depths can be modified as required. We combine different configurations to arrive at a unique product that matches users' precise requirements.

A whole new product to meet work space storage or filing requirement can be designed and manufactured by us. Wide variety of accessories can be custom developed to suit specific needs.

GET THE DESIRED COLOUR SHADE AND FINISH

Wide range of colour shades:

Mercury has a standard range of 50 colour shades.

We could provide almost any paint shade. Not only the shades tagged with international codes, we could match shade, finish and property of the physical samples and details provided by buyers

Shade Finish to choose from:

Matt, Satin, Semi Glossy, Glossy, Super Glossy, Textured and Structured

Choice of Powder Composition:

Hybrid (Epoxy + Polyester), Pure Epoxy and Pure Polyester

Choice of Additives:

Super Durable, Anti Bacteria and Anti Graffiti

OPTION OF HOUSE BRANDING

Option of unique products bearing buyer's own brand.

COMPLETE KNOCK DOWN PACKING

All mercury products adapt to the Complete Knock Down/Flat Pack concept. This concept enables to build a complete product using sheet metal components and all accessories stuffed in a single flat pack.

This ensures:

- + Logistic Convenience
- + Efficient Shipping
- + Ease of Assembly
- + Reduced Carbon Footprint

Stack of Full Height Personal Lockers packed CKD

The flat pack product provides a winning combination to our Channel Partners and final customers. The flat pack reach our Partners safely at a lower cost wherever they are located across the globe. It takes up very little storage space besides ensuring quick assembly.

Pedestal: H 635mm X W 300mm X D 515mm; Costume Storage Cabinet: H 1200mm X W 3115mm X D 1500mm

This picture of a Costume Drawer & Slim-line Pedestal showcases breadth of our versatility in design and manufacturing customized products in Complete Knock Down concept.

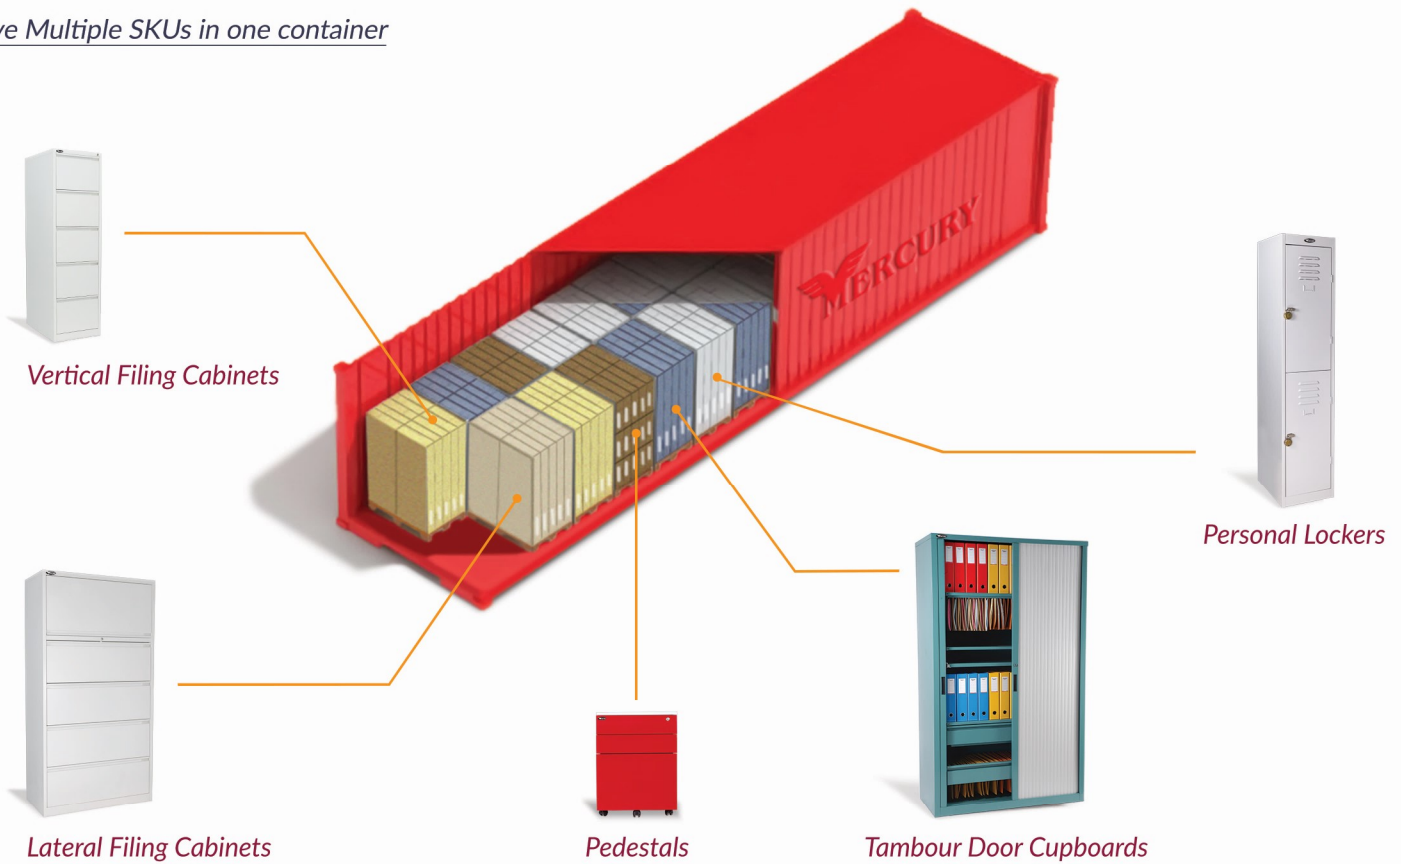

FILL THE CONTAINERS WITH MULTIPLE SKU

We manufacture products "Order-by-Order" thereby ensuring complete order is shipped out in shortest possible time.

This, along with CKD packs help us to provide you the choice of filling a 20' or 40' container with mixed products most optimally.

With our "Order-by-Order" manufacturing practice, your order will always be executed On Time In Full.

Have Multiple SKUs in one container

DEALER TESTIMONIALS

"I am a manufacturer myself, and see the combined merits in Mercury's Product design: Compactness, ease of assembly, and great fit-feel-finish.

Hope to see more dealers come on board."

Ian Mac Donald - Managing Director

APC Storage Solutions Pty Ltd, Bassendean, Western Australia

"Mercury easily responds to any request you make, to change orders, to speed up shipments, and occasionally for delayed payment. I have seen their factory, as well as got to know them intimately.

Its like business with family. I am sure more dealers will come on board."

Paul Gunnett - Director

Steelco Ltd., Rothwell, Northants, U.K.

"... they say what they mean, and do what they say. And when they screw up occasionally, they don't hesitate to own up, and make amends.

That's why I like Mercury and will stay with them."

Jose Cimadevilla - President & CEO

Inco Business Furniture, Puerto Rico

"Mercury is special.

Because they do not stop with selling, but truly help us to succeed in our business.

We see Mercury not as a supplier, but as our business partner."

Vladimir and Omar Licairac - Directors

Muebles Omar, Dominican Republic

WHY MERCURY BUSINESS LINE ?

- Customised Storage Solution offering
- Territory Exclusivity: Exclusive distributorship in unrepresented territories
- Ex-factory delivery: Two weeks for standard products
- Mixed container load
- Option of complete knockdown packing and completely built-up unit
