ABOUT US

Manufacturers of World Class Steel Storage Systems

Mercury Manufacturing Company Ltd. was established in the year 1992 in Chennai, India and is a fully owned subsidiary of Godrej & Boyce Manufacturing Co. Ltd. which is headquartered in Mumbai, India. Mercury is into the business of manufacturing and supplying customized steel storage systems catering to all major industry segments in select territories across the world.

- Mercury houses a state of the art automated Powder coating plant.
- The powder coating is carried out in a 7-tank process.
- The changeover time of our powder coating plant is 15 minutes.
- Samples from each batch undergoes the following quality test under ASTM standards.
 - Crosscut Adhesion Test
 - Methyl Ethyl Ketone Test
 - Impact Resistance Test
 - Bend Test
 - Scratch Hardness Test
 - Hot Water Bath Test
 - Shade Matching

Powder Coating Thickness: Smooth finish range between 50 μ & 60 μ and Texture finish range between 75 μ & 100 μ (measured on one side)

Mercury's advanced powder coating plant and process are well equipped to offer a wide variety of choice in Powder composition, Additives and finish.

Mercury could provide almost any paint shade. Not only the shades tagged with international codes, we could match shade, finish and property of the physical samples and details provided by buyers.

Shade names with "M." in prefix are classical shades. Others are contemporary shades. Please check with our sales staff for manufacturing lead time.
